## The Local Plan for Buckinghamshire vision and objectives

Please tell us the reasons for your answers about the Local Plan for Buckinghamshire vision and objectives:

If you think there's anything else that should be included in the Local Plan for Buckinghamshire, please tell us here.:

The Ivers Parish Council reasons for answers:

Comments about villages are not equally represented.

Relationships to parish council Neighbourhood Plans must be explicit and reinforced.

The draft local plan vision for 2040 reference to other valued local landscapes should include references to areas identified in parish council Neighbourhood Plans, where they exist, such as green spaces, village centres and heritage assets.

Objective 1:

b) protection of valued landscapes should include reference to areas identified in parish council Neighbourhood Plans, such as green spaces, village centres and heritage assets.

d) The parish council queries if Buckinghamshire Council have any responsibility for waterways.

Objective 2:

a) quantifiable targets should be included for the carbon-neutral plan.

Objective 3:

a) the provision of housing must be considered in conjunction with parish council Neighbourhood Plans, where they exist.

Objective 4:

d) developments should be built to high standards of sustainability and energy efficiency and in conjunction with parish council Neighbourhood Plans and must meet PassivHaus standards or better.

e) the types of infrastructure included in the objective are too limited.

Objective 5:

d) A quantifiable target must be included for the improvement in air quality.

Objective 7:

Village centres should be included with town centres in the aim.

e) The statement regarding location of new employment close to good transport connections should include the following caveat "whilst protecting the existing character of towns/villages".

Objective 8:

e) The statement regarding directing road freight to the most appropriate route should include the following caveat "whilst protecting the existing character aspects of towns/villages and existing green belt and in conjunction with parish council Neighbourhood Plans, where they exist.

Do you agree with the 'Building places for people' objective for the Local Transport Plan 5?

No

### Local Transport Plan 5 (LTP5) vision and objectives

Please tell us the reasons for your answers about Local Transport Plan 5 vision and objectives:

If you think there's anything else that should be included in Local Transport Plan 5, please tell us here.:

The Ivers Parish Council reasons for answers:

Objective 1:

c) Intra Buckinghamshire transport options should be included in the actions.

d) Transport to village high streets should be included in the actions.

Objective 2:

a) Existing housing and employment sites should also be included in the action to minimise the need for travel by car.

Objective 3:

a) Non-local motorised journey should also be directed away from residential areas and high streets.

b) Average speed cameras could also be used to smooth traffic flow.

c) Incentives rather than encouragement, should be used to move motorists from using cars with combustion engines.

How important are the 3 draft objectives to you?
