

Dear Karen

Thank you for emailing the Council about creating more allotments and whether suitable land is held to enable more provision. Your email has been passed to me for a response.

We'd need to do some further investigation to identify any suitable land and I will pass your enquiry on to my colleagues in the Property & Assets team to see if any such land could be identified and come back to you.

It might also help to know whether there is a particular piece of land that the Parish Council had in mind?

Presently, we're not taking on any new devolution projects, focusing on the delivery of those currently in progress. However, if a piece of land is identified we can add you to a list we keep for future consideration.

Should you have any further queries please get in contact.

Kind regards
Tim
