Briefly describe the project / purpose for which you require a grant.

Over the past few years we have reached out to the community and one of our biggest successes has been the link with the cubs, scouts and brownies. They have played bowls at our club on numerous occasions, both inside and out. However, we only have 4 sets of junior bowls. We would like to purchase a further 3 sets @ £199.95 each.

How will the project or activities benefit the residents of The Ivers?
Please include estimates of the number of Iver residents that will receive a direct benefit from the project or activities.

There are over 100 cubs, scouts and brownies and, in addition these junior bowls will be available for any group of youngsters who wish to have a go at bowling.

Please provide a breakdown of the costs of your project.

3 sets of Drake's Pride Junior bowls @ £199.95 per set = £599.85

I attach a copy of our annual accounts.
