The Summer Picnic, is an event to bring the Ivers community together.																			
How will the project or activities benefit the residents of The Ivers? Please include estimates of the number of Iver residents that will receive a direct benefit from the project or activities.																			
<p>The theme of this years summer event is traditional old village fete. We want to go back to basics with fancy dress competitions, best floral display, best home grown vegetable competitions, farm animals, dog show. There will be a couple of modern attractions such as a giant bouncy castle obstacle course but mostly old school.</p> <p>Also we will have stalls</p> <p>Local businesses selling food and providing entertainment.</p> <p>We hope to expect in excess of 500 people over the 4 hour period</p> <p>Last year the IPC granted us £2400, the porta loos, the recreation ground, tables and chairs and the use of the Pavilion as a control center for the organisers and the community were so grateful. While costs are higher this year we ask for a similar amount as last.</p>																			
Please provide a breakdown of the costs of your project.
